

southlakes

your future is here...

Southlakes is a living community – a place to feel at home and belong. Strategic planning has created an estate that caters for a diverse range of lifestyles and life stages.

At Southlakes relaxed living is easy with vast open parklands meandering past your front door. Everyone can get the most out of life. It's a place with quiet local streets and open parks where children can play safely with friends in a neighbourhood environment.

Extensive running waterways and six permanent lakes provide relaxing and pleasant views found nowhere else in South Dubbo.
